

2018 FIT FUND APPLICATION

Grant Requirements & Guidelines

The Kaua'i North Shore Community Foundation created the FIT FUND to grant funds to organizations, events, and programs that enhance fitness, health, and wellness on the North Shore of Kaua'i.

To be considered for the grant, the organization must be classified by the IRS as a tax-exempt non-profit charity under section 501(c)(3), or structured as a public school or other public program.

The FIT FUND grant will be in the range of \$2,000 and will be finalized upon review and approval of applications by the Kaua'i North Shore Community Foundation Board of Directors.

Priority for grant consideration will be directed to organizations that have participated in, and/or supported the Foundation's annual **Ohana Fit Fest presented by Wilcox Health**. The Kaua'i North Shore Community Foundation hosts this free event, which focuses on fun and fitness for all ages. Proceeds of the **Ohana Fit Fest** fund the Foundation's FIT FUND.

Application and required documents must be submitted by December 31, 2017 for grant distribution in 2018.
